

Policy for smartphones & other electronic devices

Using smartphones and other personal electronic devices at school, without pedagogical purpose must be reduced to a minimum as the school is a place to live in community, where real social interaction must be privileged. It means that **during free time or breaks pupils should avoid social media, video games and screen time. Only a reasonable use of the phone is tolerated.**

In the areas where the use of electronic devices is forbidden, they need to be switched off or on silent mode in the school bag or locker. The school doesn't take any responsibility for smartphones or other electronic devices pupils bring to school (exc. BYOD project).

The basic principles for the use of smartphones /electronic devices are the following:
