- I will contact each of your teachers to request a full report about you and how you perform in each of your subjects.
- You need to register on the UCAS website. Do this as soon as possible. You can find all the necessary guidelines to assist you in this process on the EEB2 website. Go to Secondary > Higher Education > UCAS. Follow the links. Look especially closely at UCAS ON-LINE HOW TO. This offers you a very clear guide about how to complete your on-line UCAS application form. Please study it and follow all the guidelines **VERY CAREFULLY**. You will be asked for a buzzword. It is: woluwe2021 Please note that EEB2 will not be officially registered with UCAS for 2020 -2021 until June. You can, however, go ahead with filling in your application form.
- Your personal deadlines for sending your completed on-line UCAS Application to me at woluc@eursc.eu are:

Round 1 (Oxford / Cambridge / Medicine / Dentistry / Vet. Science): **Friday 25th September 2020;**

Round 2 (All other courses at all other UK universities): **Monday 2nd November 2020.**

- **PERSONAL STATEMENT:** again, this is a **VITAL** part of your UCAS application. In your PS you must explain exactly why you are applying for your chosen course(s) and why you feel you are a suitable candidate. You must write 4000 characters (NO MORE). An excellent link to look at is : YOUTUBE 'How to write an excellent personal statement.' Please watch this carefully and follow the advice. You should show your PS to ONE teacher in

the English Section – no more than one! It is your responsibility – the clue is in the title: 'PERSONAL'. It should be your own work.

- Predicted grades: these are compulsory in the reference I will write for your UCAS application and are your marks at the end of Year 6 ('C' Marks). These cannot be altered unless there are genuine medical reasons or serious extenuating circumstances. I KNOW THAT SOME OF YOU ARE CONCERNED THAT THIS YEAR'S EXTRAORDINARY CIRCUMSTANCES MAY AFFECT YOUR END OF YEAR MARKS AND I WISH TO REASSURE YOU THAT THIS IS NOT THE CASE; EVERY EFFORT WILL BE MADE TO GUARANTEE THAT YOUR FINAL MARKS ARE ACCURATE AND THAT UNIVERSITIES ARE PROVIDED WITH THE CORRECT AND NECESSARY DETAILS. I WILL BE IN REGULAR CONTACT WITH ALL OF YOUR TEACHERS AND WILL MAKE SURE THAT YOUR ABILITY, EFFORT AND POTENTIAL ARE FULLY TAKEN INTO ACCOUNT WHEN CALCULATING YOUR UCAS PREDICTIONS. These predictions will offer you guidance about which universities / courses you may be eligible to apply for. Be sensible and realistic....
